

CAMP AGUDAH TORONTO – HAIR CHECKING INSTRUCTIONS

All campers and staff must have their hair checked for lice/nits by a professional checker before their arrival to camp. The women who will be checking have asked that you come with **clean** and **dry** hair to be checked. The fee for this service is \$7 if you come during the times that have been specified for camps. If you wish to have a private appointment, the fee is \$10.

You must have this form filled out and signed by the certified checker who is checking your hair and bring it with you to camp. These forms will be collected on the first day. Any cleaning fee must be paid by the staff/camper.

Here are some suggested certified lice/nit checkers. They have already been contacted by us to expect your visit.
