

Cell Phones in Camp

Dear Staff Member,

We are looking forward to a wonderful camp season. We are ב"ה privileged to have a very enthusiastic, capable and responsible staff this year at Camp Agudah. To ensure the רוחניות safety of all of our campers and staff members, we require that:

ALL PHONES MUST BE TAGGED ACCORDING TO CAMP AGUDAH GUIDELINES.

All cell phones must be either:

a) a certified kosher phone

OR

b) have a Gen Tech filter installed by a TAG office

There are two options when you "TAG" your phone:

- 1) Block all data
- 2) Block all browsers and apps with the exception of restricted WhatsApp and email

PLEASE SHOW THE ATTACHED FORM WITH THE REQUIRED GUIDELINES TO THE TAG REPRESENTATIVE

If you are "TAG"ing your phone in Toronto:

- Please use the current walk-in hours
 - Sunday 4-6pm
 - Tuesday & Wednesday 8-9:30pm
- If you can't make these hours, please make an appointment by emailing info.tagtoronto@gmail.com or calling 647-946-8455
- The office is located at 182 Caribou Road
- Please have the TAG representative sign the attached form

If you are "TAG"ing your phone at a different TAG branch other than Toronto – please have the TAG representative sign the attached form

ALL PHONES MUST BE TAGGED **BEFORE CAMP.**

If due to extenuating circumstances, you did not get your phone "TAG"ed before camp, there will be a **\$40 charge** to have it sent to Toronto and will take a minimum of ten days. The only exception to this charge will be if you live in a city that does not have a TAG office.

Being a staff member entails responsibility and commitment. Use of cell phones during the hours that a staff member has responsibilities in camp, is extremely detrimental to the smooth running of camp. Therefore, the following guidelines will be strictly enforced:

1) Junior staff:

There is absolutely no cell phone use the entire day except for the hours from 8:30 pm until 12:00 am (camp time). Unless you have responsibilities that night in camp (ex: OD, specialty programming, etc.). Phones are to be used in your bunkhouse only.

2) Counselors:

There is absolutely no cell phone use during working hours, EXCEPT:

- a. You can use your phone while your bunk has shiur
- b. You can use your phone at night, after your bunk is sleeping – **unless** you have OD. Your phone cannot be used in your bunkhouse in front of your campers

ALL STAFF:

** No staff member may walk around camp grounds with their cellphones. They must be used at the times listed discreetly.

** Your cell phone is for **your** use only. It cannot be used by any camper at any time. As well, you cannot show anything on your phone to a camper (ie: pictures).

PLEASE BRING THE FOLLOWING TO THE CAMP OFFICE BY 4PM ON FRIDAY, JUNE 22ND

- 1) THE SIGNED FORM BELOW
- 2) THE ATTACHED FORM, SIGNED BY A TAG REPRESENTATIVE

We look forward to your cooperation in making this season the best ever!

Sincerely,

Mrs. Risa Blaustein
Camp Director

Mrs. Atara Heber
Shiur Director

I, _____, have read the above guidelines carefully, and agree to abide by them fully. I am aware that there are consequences for non – compliance of these rules.
